

Service to the Armed Forces

Serving families whose members serve our country

The SAF mission is to provide care and comfort to the members of the United States Armed Forces and their families.

Comfort Kit Build Project

Join us as we make Comfort Kits of basic toiletries to be distributed at a Stand Down event.

Stand Down refers to a grassroots, community-based intervention program designed to help the nation's estimated 107,000 homeless veterans on any given night "combat" life on the streets. Homeless veterans are brought together in a single location and are provided access to the community resources needed to begin addressing their individual problems and rebuilding their lives.

This Group Engagement Activity allows friends and families beyond your own employees to participate by contributing items that will then be given to the Veterans participating in one of the Stand Down events locally in Massachusetts.

Please review the labels to ensure the products are alcohol free
