It takes considerable time to go from the finish to the Family Meeting Area, so please be patient when searching for runners!

The Sensory-Friendly Viewing Area is located around mile 13.5 and provides a quieter and less crowded environment. The area is welcome to those with autism, disabilities, or sensory needs.

Parking In Boston

Race Week

On-street parking in Boston's Back Bay is extremely limited during race week. The B.A.A.'s preferred parking garages are the **Garage at 100 Clarendon and Prudential Center Garage**. Due to road closures and traffic congestion, spectators will not be able to park near the finish area on race day.

Spectator Guidelines

- ▶ Know your runner's start time and bib number.

Spectators are asked to be aware of their surroundings and to report suspicious conduct or items to the closest law enforcement officer or by calling 9-1-1.
